

TERMS AND CONDITIONS tighnabruaich

1. A booking form must be completed before the course commences and must be signed by parents/guardians for under 18's.
2. By accepting a place on a course, participants undertake to conform to the directions and orders of the organisers and instructors at all times, particularly in relation to safety. Failure to comply with this may result in the student being asked to leave the course without the right to a refund.
3. Intending participants must be physically fit and must adhere to the policy of wearing a buoyancy aid at all times when on the water. Anyone who has a heart pacemaker or who is liable to epilepsy or any complaint which precludes exertion or which might be aggravated by accidental immersion in cold water must inform the Sailing School, and produce a letter from their doctor confirming their ability to take part at the time of booking.
4. Travel and equipment insurance is not included and participants are responsible for organising adequate insurance cover. The Sailing School will exercise due diligence in the organisation and management of its courses but neither the Sailing School or its servants or agents shall be liable for any loss, injury or damage which may arise as a result of the normally accepted risks of sailing in small boats. Participants, parents or guardians must accept that there are risks and perhaps inevitable bumps and scrapes.
5. Should weather conditions prove unsuitable for sailing, the Sailing School reserves the right to arrange an alternative programme. The decision of the Sailing School shall be final.
6. The Sailing School reserves all rights to cancel any course should circumstances make this necessary or if a minimum number of participants is not reached; in this case all the money paid will be returned in full.
7. The Sailing School reserves the right to transfer pupils whom they consider insufficiently experienced to a more suitable course of instruction.
8. Any complaints should be made known to the Principal and every effort will be made to reach an amicable solution.
9. Unaccompanied children must be over 9. It is the responsibility of the parent or guardian to inform the Sailing School of any relevant medical condition or special requirements pertinent to the child's stay.
10. Once the booking is confirmed, a deposit is not returnable in case of subsequent cancellation, although it may be used for a course before the end of that season.
11. When the booking is confirmed, participants will be advised of the date by which final payment must be received (28 days before the course begins). If no notice of cancellation has been received by this date, the client is then liable for the full fee. If the final payment is not received by this date the Sailing School reserves the right to cancel the booking. After this date, if cancellation is received in writing, we will do our best to fill the vacancy created, but a refund will be made only if the vacancy can be filled.
